

**Cypress Creek Middle High School  
Parking Application**

Students must understand that **driving an automobile to CCMHS and parking on school property is a privilege** and not a right. We retain the right to revoke parking privileges at any time during school year for violations of the Student Code of Conduct or the Parking Procedures. Neither CCMHS nor the School Board of Pasco County School District is responsible for any theft, damage, vandalism, or mishap that may occur to any vehicle parked on the campus of Cypress Creek Middle High School.

**Students who continue to park their car at school without permission or authorization are subject to being towed at their own expense.**

I have read and understand the rules regarding parking on the Cypress Middle High School campus and agree to abide by the rules, understanding that failure to do so will result in the suspension/revocation of my parking privileges.
