Would you like to have us help you make your loved one's/friend's birthday even more special than it already is?

Order "The Birthday Song" now, and the Administrative Team will bring a special Birthday treat to your child/friend's lunch table AND sing the COYOTE "Happy Birthday" to them over the loudspeaker in the cafeteria!

Does your child/friend sit outside during lunch? No problem there, we have a bullhorn that we use for "outdoor" birthday songs!
